## A QUICK MESSAGE

Quaker Hill has placed over **160 Angus sires in AI studs around the globe** with our genetics being available worldwide. No doubt many of the bulls selling will follow that same trend. Consider taking this opportunity to upgrade your genetics to ensure your herd's future profitability. We very much appreciate your constant support and business over the years. Join us on **March 22!**

## WARRANTY

Every bull has had a BSE (breeding soundness exam) before our sale to ensure fertility by our vet. We guarantee your bull purchase and want you to be successful. Read the rest of our terms and conditions in our sale book.
